2021 Council Chartering Due...

Thanks to all the Councils that have chartered already for 2021!!

If you haven't chartered yet, please make sure to get your chartering paperwork in as soon as possible because we need to order your 2021 Pinwheels in early January!!

The chartering agreement can be accessed on the "[Council Login](#)" page. The paperwork should only be completed by one of the Council Officers or the

Council Main Contact. The digital charter can be accessed by selecting "online form." There is still a printable form available if you prefer to print off and mail the charter and payment in.

The cost to charter remains \$150.00. This cost includes one box (100 each of each English brochure, if requested) of educational brochures and up to 2 boxes of pinwheels. Each pinwheel box contains 240 pinwheels. Additional boxes of pinwheels are available at chartering for \$90 per box. We ask that you plan ahead and order all your Pinwheels at Chartering time to save time and money.

Statewide Council Zoom Meeting in January

We hope you are all staying safe and well, but we would love to "get together" virtually just to touch base with you. We miss seeing and talking with you! We have scheduled a Zoom meeting for **January 22, 2021 at 12:30pm** (Eastern time).

We just want to see how you are doing; what April activities are in the works and we want to fill you in on what WE are doing! We hope to see you all at this day and time. If you can't make it then, we would still love to hear from you, and we can set-up a separate time and date for us to chat. Contact [Sandy Runkle-Delorme](#).

PCAIN Prevention Education Presentations

Just a reminder that we are continuing to train and provide prevention education presentations across the state. Due to the Covid-19 pandemic, safety precautions may need to be taken, such as hosting virtually or limiting participation, but we are always willing to work with you! Click [HERE](#) to learn more about the trainings/presentation we offer and to schedule a training.

We are also continuing our Virtual Nurturing Parent Café series. The next café will be held on January 21st **at 12:00 pm** eastern time.

Parent Cafés are FREE participant-led get-togethers that encourage open communication about the joys and challenges of being a parent/caregiver. Participants also share ways to strengthen their families in a fun, supportive atmosphere. Content for parent cafés is usually created using the highly acclaimed *Nurturing Fathers* and *Nurturing Parents* curriculums.

Once we have the final details we will posting them on our website and Facebook page. Please free free to pass this information on to anyone you think would be interested in participating.
